

**FOR IMMEDIATE RELEASE**

## **Skoch Campaign Committee Exceeds Fundraising and Recruiting Goals**

***The Bernie Skoch for Congress Campaign Committee announces first quarter fundraising targets have been exceeded. Overwhelming grassroots support puts campaign ahead of the goals initially set by the committee.***

Springdale, AR, September 30, 2009 – Following a September 29th campaign committee meeting, the *Bernie Skoch for Congress* campaign announced that goals for both fundraising and volunteer recruitment have been exceeded.

"We are stunned at the tremendous support we are receiving," Skoch said. "We have a long way to go, but this is a strong early indicator that the people of Arkansas' 3rd Congressional District are ready for change, and ready for a return to genuine conservative representation. We are excited by the momentum our supporters are generating as the May 2010 Republican primary election draws nearer."
